Dear City Leaders

Instructions for Teachers & Task Leaders

Scene Setting

Cities aren't just full of people and buildings, they also need green spaces, trees, and rivers. Youth Engagement Officers works with young people and communities to make sure their ideas help shape greener, healthier places to live.

Activity: Dear City Leaders

Write a short letter or design a poster for your local leaders with one big idea to make your town or city greener. Make sure to include these points in your letter:

- What is your idea?
- How would it help people?
- How would it help wildlife?
- Which area of your community will your idea impact?

Careers Spotlight: Youth Engagement Officer

- Works with young people and communities.
- Collects ideas and helps shape decisions for greener cities.
- Needs listening skills, communication, and creativity.

Curriculum Links

- Citizenship / PSHE: Community involvement, sustainability, democracy.
- Geography: Urban environments, land use.

Reflection

If you were Mayor for a day, what's the first change you'd make for nature in your area?
